Hello Grade 2 Families!

We are so excited to welcome our 2nd Graders back to PS 79 on Monday, September 13th!!

A school map is attached, to ease in the arrival process.

Please take note of arrival and dismissal procedures:

First Day Arrival, September 13th:

Grade 2 students will line up in the Main School yard. Please look for the **BLUE** balloons. There will be staff in the school yard and outside the building to help direct students and families.

Please find your child's class number, and have them line up near their sign. The classroom teacher will be anxiously awaiting their arrival and will then bring them into the building through Exit 5 on 15th Road.

Second Day Arrival, September 14th:

Grade 2 students will line up again in the Main School yard.

Third Day Arrival, September 15th:

Grade 2 students will enter the building through Exit 3, where they will go directly to their classrooms. Staff and teachers will be inside, ready to help direct and guide students.

Dismissal:

All Grade 2 students will dismiss at 2:20 pm from Exit 3, located on 15th Drive, up the block from the Main Entrance.

We will see you all Monday morning!
