Hello Grade 1 Families!

We are so excited to welcome our 1st Graders back to PS 79 on Monday, September 13th!!
A school map is attached, to help with the arrival process.

Please take note of arrival and dismissal procedures:

First Day Arrival, September 13th:

Grade 1 students will line up in the Main School yard. Please look for the **RED** balloons. There will be staff in the school yard and outside the building to help direct students and families.

Please find your child's class number, and have them line up near their sign. The classroom teacher will be anxiously awaiting their arrival and will then bring them into the building, through Exit 1A, next to the Main Entrance.

If your child is in Class 103 OR Class 131, they will go directly to their Classroom trailers, located near the school yard.

Second Day Arrival, September 14th:

Grade 1 students will line up again in the Main School yard and teachers will bring them into the building.

Third Day Arrival, September 15th:

Grade 1 students will enter through Exit 1A and go directly to their classrooms. Teachers and staff will be in our hallways assisting and directing students.

Dismissal:

All Grade 1 students will dismiss at 2:20 pm from Exit 1A, next to the Main Entrance.

If your child is in Class 103 OR Class 131, they will be dismissed directly from their Classroom trailers, located near the school yard.

We will see you all Monday morning!
